In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and the Human Engineering Research Laboratories, the Uniformed Services University of the Health Sciences, and the Department of Veteran Affairs. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of 2.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

Faculty Disclosure:

All individuals in a position to control the content of this education activity including members of the planning committee, speakers, presenters, authors, and/or content reviewers have disclosed all relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients.

The following relevant financial relationships were disclosed:

Rory A. Cooper receives grant/research support from Amazon

Dan Rhon, PT, DPT, DSc, PhD, receives grant/research support from National Institutes of Health (NICHD) and CDMRP

No other planners, members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships to disclose.

Program Overview:

Dual live-streamed lectures and panel session exploring outcome measures in rehabilitation and reintegration. This topic will be discussed by a panel of subject matter experts, allowing discussion of regional and national trends in standardization as well as those at a global level. Pre-recorded panelist presentations posted at <https://www.herl.pitt.edu/outcome-measures>

The target audience for this symposium includes civilian and military physicians and counselors, policy-makers, and educators at all levels.

Panelists:

Geoffrey Balkman, PhD, University of Washington

Elsa Ermer, PhD, Henry M. Jackson Foundation, USUHS, Washington, DC

Stacey Harcum, MPH, MS, OTR/L, Henry M. Jackson Foundation, USUHS, Washington, DC

Ignacio A. Gaunard, PT, PhD, MSPT, Bruce W. Carter VA Medical Center, Miami, FL

Jeanne C. Patzkowski, MD, LTC, USMC

Dan Rhon, PT, DPT, DSc, PhD, Brooks Army Medical Center, San Antonio, TX

Moderated by: Stuart Campbell, PT, MPT, VHA
